

What shall you pack for Coachella?

By [Melissa Curtin](#)

Coachella -ella -ella. It's that time of year again where almost all of LA flocks to the grooviest music fest around – Coachella. Fashion from neon colors to cutout airy hippy dresses to flower headbands, to cut-off high waisted jean shorts. Coachella has created its own spring fling weekend fashion. Not only should you have your style in check for this weekend of sweaty outdoor desert dancing and prancing with the latest hip bands, but here are some essentials you must not go without.

- **strap-its (\$15)** - Add some glam stylish straps in zebra, skulls, camo, or python to your Coachella look. These stylish straps attach to any strapless or convertible bra, and are meant to amp your outfit.
